

Camping Rules

We are offering camping on Friday and Saturday night at the Ted Furber Memorial Park in Hidden Valley. The Ted Furber Memorial Park is the new Paluma Push Event HQ, as well as the event finishing line. We will also be hosting the inaugural Paluma Push Official After Party there on Saturday night complete with live entertainment/music, food trucks and bar.

Please read through the camping rules below. Adherence to these rules will ensure that the weekend runs as smoothly as possible.

Upon arrival at Hidden Valley/Event HQ

- Follow the one-way entry directions, as well as all signage and directions given by event staff.
- Check in with our Camp Coordinator, Wayne upon arrival. Wayne will have a list of everyone who has booked. You must pre-book your camping through your Active account.
- Follow the Camp Coordinators instructions on where to set up camp. This will ensure that we have plenty of room for all campers.
- Please note that we will have a lot of people camping on both Friday and Saturday nights. If you are only camping on Friday night, please follow the directions given to ensure that you set your camp up in the 'FRIDAY CAMPING ONLY' area. This will make it easier for you to pack up and leave on Saturday, as well as be less disruptive for our other campers.
- Please do not bring your Taj Mahal. There will simply not be enough space for everyone to have a big set up. Please keep it small and simple.
- If you are not camping out of your car, please drive in and drop off your camping equipment and then follow the signs to park your car in the designated parking area. Unfortunately, we do not have sufficient space to have cars in the camping area otherwise.
